

MERIDIAN LOGISTICS

Cold-chain pharmaceutical logistics · Amsterdam, NL

Statement of Work #SOW-2026-0247

SERVICE PROVIDER

Meridian Logistics
Schiphol Logistics Centre
Amsterdam, Netherlands

CLIENT

Apex Pharmaceuticals
Frankfurt am Main
Germany

Effective: **1 June 2026** Term: **Twelve (12) months, expiring 31 May 2027**

1. Scope of Work

Meridian Logistics shall provide end-to-end cold-chain distribution services for Apex Pharmaceuticals' temperature-sensitive product portfolio across 12 EU markets. Services include refrigerated container allocation maintained at -25 °C to -18 °C for frozen biologics and 2 °C to 8 °C for chilled formulations, real-time temperature monitoring with deviation alerts to both parties within 15 minutes, customs clearance coordination at all designated ports of entry, and full chain-of-custody documentation per shipment. All services shall comply with EU Good Distribution Practice (GDP) guidelines as defined in 2013/C 343/01.

2. Deliverables

Milestone	Target date
Carrier capacity allocation	15 June 2026
Customs documentation set	1 July 2026
First container dispatch	15 July 2026
Mid-term performance review	1 December 2026

3. Fees

Item	Amount
Base rate per refrigerated container	EUR 4,750
Fuel surcharge (variable, EU diesel index)	12% of base
Customs handling, per shipment	EUR 350
Estimated total, 12-month term	EUR 178,500

Fees exclude VAT. Invoices issued at the end of each calendar month, payable net 30.
